## FRAUD INFORMATION

The Department of Housing and Urban Development is seriously concerned about fraud in the Section 8 Housing Choice Voucher Program and has asked Warren County Housing Authority to provide this reminder to all program participants.

When our agency requests information about your income and your family size be sure to:

1. **Let us know about all income received by all members of your household and income that you expect to receive within the next year. Do not forget income from second jobs, overtime, self-employment, part-time jobs, and child support received.**
2. **Let us know the names of everyone expected to live in your household within the next year.**

It is very important that you report all income and any change in the number of people living in your household. This ensures that the Total Tenant Payment was calculated correctly and that Housing Quality Standards are being met.

It is your responsibility to comply with these simple rules. You could be in violation of federal laws, charged with a federal crime and put at risk of losing your rental assistance, if you choose to ignore your duty to report these changes.

If you know of any cases of fraud by landlords, tenants or Public Housing Authority employees, or if you have any questions on this subject, please call (515) 961-1073.

Thank you for your cooperation.

**IT IS IMPERATIVE THAT YOU READ AND UNDERSTAND FRAUD INFORMATION.  
FAILURE TO ASK QUESTIONS REGARDING THIS DOCUMENT INDICATES YOU  
UNDERSTAND.**
